

"As each one has received a gift,  
minister it to one another...

If anyone ministers, let him do it  
as with the ability which God  
supplies, that in all things God  
may be glorified through  
Jesus Christ..." 1 Peter 4:10-11

## Steps To Becoming A Laity Care Leader

[kerryskinner.com](http://kerryskinner.com)

The Laity Care Center (LCC or your Biblical Counseling Center) helps people face the difficult and unexpected issues of life. Through the power of the Holy Spirit, Laity Care Leaders minister to people and give guidance as to how one can be set free.

## Core Curriculum

A Laity Care Leader (LCL) or biblical counselor operates under the leadership of a church or an association of churches. He or she utilizes the core curriculum as taught from the Holy Bible and the following textbooks that Dr. Skinner authored or co-authored with Dr. Henry Brandt:

### ***The Heart of the Problem***

This helpful work gives encouragement to everyone who has ever faced a situation they felt was insurmountable. Pride, anger, and denial separate people from the solutions and comfort they long for. By seeking God's answer, even the most complex problems can be solved once and for all.

### ***The Word for the Wise***

Worldly solutions offer people only temporary relief from their problems, but biblical counseling offers a trustworthy and lasting cure. This book shows biblical counselors how to help angry, broken, confused people look at their lives from a biblical perspective, and move beyond the situation of the moment to the real underlying cause of pain and disappointment. *The Word for the Wise* contains a wealth of real-life examples, along with guidelines for the qualifications, attitude, methods, and standards of professionalism for biblical counselors.

### Issues include:

***Marriage***  
***Family***  
***Financial***  
***Addiction***  
***Identity***  
***Disobedience***

### ***The Joy of Repentance***

The suffering Christian, soiled with the residue of this world, is only a repentant prayer away from resolution and healing. Confession of sin is common. Repentance of sin is rare. Though sin truly is negative, repentance is the most positive word in the Bible. While the process of repentance is sometimes painful, the result of being back in fellowship with God brings great joy.

### ***Breaking Free From the Bondage of Sin***

A human approach to dealing with sin does indeed relieve symptoms. But there is no human remedy for the problem of sin. The cure is out of this world. Only God can help. This book helps illuminate the barriers [sins] that come between a person and the resources available from God through Jesus Christ.

### ***Marriage God's Way***

Tragic but true: couples who follow the world's models of marriage end up in divorce. This problem is growing more and more prevalent even in the church. *Marriage-God's Way* takes a fresh and frank new look at how to ease marital strife by considering marriage from a biblical perspective. With personal illustrations and applied scriptural principles, this im-

If you didn't plan for them – or even if you did – having kids may threaten to spoil the fun of marriage. Henry Brandt and Kerry Skinner's book shows how to make parenting a fascinating, pleasant journey, wherever it may lead. This biblical, practical guide is based on the truth that parents need help from a resource outside themselves – God. Two popular authors of discipleship books demonstrate, with anecdotes, examples, and meaningful Bible references, how to develop an inner peace with God to navigate the twists and turns of family life – and make it enjoyable!
